## Post Season Check List

**Farmer Name:**.....

**Address:**.....

.....

.....

**Clearfield Accredited Agronomist:**.....

**Clearfield Crops grown:**

---

<input type="checkbox"/> Clearfield Canola	<input type="checkbox"/> Clearfield Wheat	<input type="checkbox"/> Clearfield Plus Wheat	<input type="checkbox"/> Clearfield Barley	<input type="checkbox"/> Clearfield Maize
-----------------------------------------------	----------------------------------------------	---------------------------------------------------	-----------------------------------------------	----------------------------------------------

---

- I have effectively managed all weed species in the crop
- I have inspected the paddock post-harvest for late germinating weeds and/or volunteers
- I have revisited the Clearfield Paddock Plan and updated it accordingly
- I have a fallow management plan that also considers other resistant cropping systems in my rotation
- I have a plan for managing volunteers in the following crop
- I have discussed with the farmer the outcomes of this years crop
